We invest in companies that drive the transformation of our economy into a more sustainable state

OUR VISION

Carica invests in businesses that drive positive environmental and economic outcomes. We provide growth capital to help scale sustainable companies with proven business models. We realize this vision by partnering with entrepreneurs, business leaders, and companies addressing climate challenges by improving the way the world does business.

FUND SUMMARY

Fund I
\$200M

Target Investment
\$5–15M initial investment
\$20–30M total investment

As a family office fund, we bring patient capital, flexible investment structures, and a partnership mentality to drive long-term value creation.
